

Staff and Students' Christmas Meal

It was the last Wednesday before the Christmas holidays and Christmas wouldn't be Christmas without turkey and all the trimmings with your friends and signing songs!

The catering staff had worked tirelessly since early morning to

provide over 200 students with the special meal for staff and students.

“It was an amazing experience – especially the pigs in blankets!” said Year 10 student, Georgia Kingsnorth.

All that was missing, one teacher noted, was a sleep afterwards!
